

**Vee Rubber** stellt seit zwanzig Jahren Motorradreifen  
Schläuche und Reifen her.

**Seit** 1982 expandierte die Firma VEE Rubber ihre Übersee  
Geschäfte nach West Europa, U.S.A., Canada und Latein  
America sowie andere wichtige Märkte Weltweit.

**Vee Rubber** has since gained recognition in the global markets for  
its commitment to the highest quality in products and services. In  
addition to its own brands, the manufactures under contract for a  
number of leading European private brands. The various international  
awards and certifications received by Vee Rubber stand as a proud  
testament of the group's achievements.
